Description

This international operating Dutch company has the intention to expand their production facility. The company is specialised in producing, developing, manufacturing and distributing raw wood into finished products, amongst others flooring products.

The company is amongst others member of FSC and is also certified by Keurhout and PEFC. It is planning to expand their production facility in Ukraine, because of an increasing demand of wood. The expansion creates 50 - 100 new jobs (men/women, 70/30) in Ukraine and facilitates the expansion of the market position of an international operating, Dutch company.

RvO is willing to finance this expansion, together with the other financing partners.

Country of investment

Ukraine

Risk category

It is a category B investment. A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
