Investing

Description

This Dutch company, which has its activities in the horticulture, intends to expand, and make more efficient, her activities in The Netherlands and in Portugal, as well as creating cold storage and sustainable cultivation.

For these investments DTIF is planning to provide a loan to the Dutch company, together with the bank. Because of this the company's existence and quality will be secured and gives the company the possibility to respond to the increasing market demand.

There will be a positive impact on the Dutch economy. Amongst others, there will be an increasing demand for transport and renting auction carts.

This project will contribute to the Sustainable Development Goals: 8 – 12 and 13.

Country of investment

Portugal

Risk category

This is a B+ risk category investment. A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
