Description (English)

Part of DTIF

Investing Dutch Entrepreneurs

Description

A Dutch Entrepreneur intends to expand her activities in The Netherlands and in Romania. Therefore investing in fixed assets and working capital is necessary.

For these investments DTIF is planning to provide a loan to the Dutch entrepreneur, together with a bank. Because of this the company will be able to secure their growth, efficiency and quality and it gives the company the possibility to respond to the increasing market demand.

There will be a positive impact on the Dutch economy. Amongst others, there will be created approximately 60 jobs.

Country of investment

Romania

Risk category

it is a category B investment. A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
