

Dutch Trade and Investment Fund

Part of DTIF

Investing Dutch Entrepreneurs executed by RVO.

Title

Production facility for environmentally friendly packaging – DTIF120CZ1

Company

Paperfoam Holding B.V.

Country

Czech Republic

Sector

Packaging Industry

Amount of the investment

Garuantee - EUR 1,080,000

Period

04 June 2020 – 31 December 2026 (6 years)

Involved parties

Rabobank Gelderse Vallei

Impact

Employment

Direct employment approx. 4 fte: sales, design en R&D. Production machinery and accessory molds worth over EUR 1.4mln will produced and ordered in The Netherlands. This generates direct impact for suppliers on revenue, VAT, VPB and employment. Permanent jobs will be created, which gives local employees long term perspective

IMVO

This is a risk category B (medium-low) investment. A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.

Short description

With a guarantee of DTIF on a loan from Rabobank Paperfoam Holding B.V. will be able to invest in a new production facility in Czech Republic and produce Co2 friendly packaging.

This company is active worldwide in designing and producing of high quality and sustainable packaging material. The packaging material combines functionality with minimal impact on environment.

Most of the investments will be bought from Dutch suppliers. The investment will entail more employment in The Netherlands and in Czech Republic.

This investment will contribute to the Sustainable Development Goals:

8 'decent work & economic growth'- 12 'responsible consumption and production' and 13 'climate action'
