## Description

### Part of DTIF

Investing

### Description

This Dutch company is a commodity trader in by-products for feed, and also offers services as a logistics service provider, The company wants to expand its activities.

For this investment, the company is asking the Dutch Trade and Investment Fund to provide a guarantee on a working capital facility from a Dutch bank. This investment has a positive impact on the Dutch economy, including the transport sector. Two extra jobs will be directly created.

DTIF intends to guarantee this facility.

The project will contribute to the Sustainable Development Goals: 8 – decent work & economic growth

### Country of investment

Various countries

### Risk category

This is a risk category B investment.

A CSR action plan will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.

[Evt. Toelichting, zoals "Furthermore will this CSR action plan contain the safety improvement for the security personnel during cash transport."]
