

Management Statement

With this management statement, the subsidy recipient confirms that its board or management has formally approved the data accompanying the request to determine the final subsidy to be submitted to the Netherlands Enterprise Agency (RVO).

The management statement must include the following:

- A statement on the Final Report, detailing the progress made and the final results of the activities that received subsidies.
- An itemised statement or overview, outlining all costs incurred related to the subsidised activities, following the submitted budget, ensuring that only eligible expenses are included.

In the management statement, the subsidy recipient must declare the following:

- that the activities for which the subsidy was granted have been implemented;
- that the obligations associated with the subsidy have been fulfilled;
- the total amount of eligible costs incurred for the eligible activities;
- the total amount of revenues realised (if applicable), including cash contributions from third parties.

The authorised director must sign this management statement. It may not be signed by an authorised representative on their behalf.

Note: Supporting documents or administration records do not have to be submitted with this statement, but they must be made available to RVO upon request.
